PURPLE HEART LICENSE PLATE APPLICATION
NRS 482.3775

A Nevada resident who is a veteran of the Armed Forces of the United States and awarded the Purple Heart is entitled to two sets of specially designed license plates which indicate that he/she is a recipient of the Purple Heart. A person who qualifies may register up to two passenger cars, motorcycles, trailers or light commercial vehicles having a manufacturer rated carrying capacity of 1 ton or less, for his/her own personal use.

Application must be made in person at a full service DMV office. The Purple Heart License Plate may not be personalized. Nevada evidence of insurance must be presented when you visit the DMV.

Any applicable registration, transfer, and Governmental Services Tax, will be charged for issuance or renewal of Purple Heart license plates. If Purple Heart license plates are lost, stolen or mutilated, the owner of the vehicle may secure a set of substitute license plates from the Department for a fee of \$5.00. Duplicate license plates cost \$10.00. A replacement license plate expired for more than 18 months is \$25.00. A prison industry fee of 50 cents per plate is added to all license plates.

One of the following documents must be attached to this application.

- a. Form DD-214 or DD-215 Discharge Certificate with Purple Heart recipient status noted on the form.
b. General Order awarding the Purple Heart from a service headquarters signed or stamped Official Copy.
c. Form WG05455 for World War II recipients.
d. Other acceptable official documentation as determined by the Department.

If your vehicle is currently registered, you have the option of maintaining your current vehicle registration expiration date, or renewing for a full 12-month period. Credit for any unused portion of your current registration will be applied to your renewal. In applicable counties, if you are renewing for a full 12-month period, and your previous evidence of compliance with emissions standards was obtained more than 90 days ago, the vehicle must be re-inspected prior to registration.
